HELLO NICE TO MEET YOU

Hello, it's very nice to meet you
It's so great to learn, you will be my friend!
It's always good to meet new people
We'll go on adventures, and learn to share together!
Hello! Nice to meet you!

IN MY HOME

In my home lives my family
In my home I live happily
A home is a place very special
Filled with love and happiness
I eat so well and I always play
I share my room where at night I stay

DIFFERENT FAMILIES

Families, families, some families are big and tall
Families, families, some families are so small
Some families are big and tall
Some families are so small
But all of them have beautiful things after all
Some have mommies
Some have daddies
Some have brothers, sisters, and grannies
Families, families, some families are big and tall
Families, families, some families are so small
Some families are big and tall
Some families are so small
But all of them have beautiful things after all
Some have aunties
Some have uncles
Some have cousins and cats by the dozens

I GO FISHING WITH GRANDPA AND I READ WITH GRANDMA

Friends! Do you know what day is today? It's Sunday!
 Sundays are my favorite days because I go visit my grandparents
 I love spending time with them
 My grandpa always takes me fishing in the river
 I go fishing with my grandpa
 It is super fun!
 I go fishing with my grandpa
 Have you gone fishing?
 I go fishing with my grandpa
 Everyone together!
 I go fishing with my grandpa
 My grandma bakes delicious cookies!
 But I what I love the most is to read with her about faraway
 kingdoms and magic creatures
 I read with my grandma
 What is your favorite story?
 I read with my grandma
 I love the ones with dragons!
 I read with my grandma
 Sing with me!
 I read with my grandma

THE JUNGLE

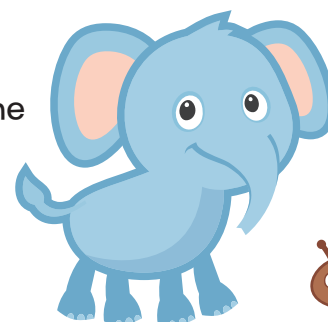

Elephant, monkey, tiger
 Jungle! Jungle!
 What do I see? What do I see? An elephant. An elephant
 And how does the elephant go?
 Elephant
 Jungle! Jungle!
 What do I see? What do I see? A monkey. A monkey
 And how does the monkey go?
 Monkey
 Jungle! Jungle!
 What do I see? What do I see? A tiger. A tiger
 And how does the tiger go?
 Tiger
 Jungle! Jungle!

BIG ELEPHANT

When I was walking through the jungle
 A big elephant I met
 He was so polite, that elephant
 His name he gave me right when I asked
 Big elephant, big elephant, big elephant, that's me
 Nice to meet you!
 When I was walking through the jungle
 I met a little, little ant
 She was so polite, that little ant
 Her name she gave me right when I asked
 Little, little ant

SILENCE / LISTEN

Friends, today I want to teach you a very fun game!
 It is called, The Noisy Orchestra
 You need a musical instrument, you can use maracas, a drum or even your hands
 Let's start by making a rhythm with our instruments. Very good!
 When I say the word silence you need to stop playing
 When I say the word listen we need to hear the orchestra and become part of it by playing
 our instruments. Are you ready?
 Silence! Listen!
 Well done everybody! Thanks for playing with me friends!

DON'T INTERRUPT

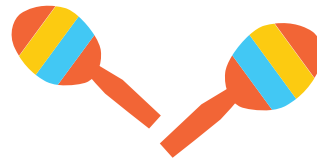

Blah, blah, blah, blah, blah! Don't interrupt, don't interrupt
 I like to tell the teacher a story
 My father bought my mom a morning glory
 I want to chat, I want to chat
 Blah, blah, blah, blah, blah! Don't interrupt, don't interrupt
 Now Coco approaches uninvited
 To speak out of term all things unwanted
 I want to chat, I want to chat
 Blah, blah, blah, blah, blah! Don't interrupt, don't interrupt
 I like to talk a lot with my friends
 To talk about the funny odds and ends
 I want to chat, I want to chat

MARACA PLEASE

Maraca please, please, please
 Oh, what rhythm!
 Get me a tambourine
 But it's way too noisy
 I'd rather a maraca
 Maraca please, please, please
 Thank you! You're welcome!
