

The Oval and The Square

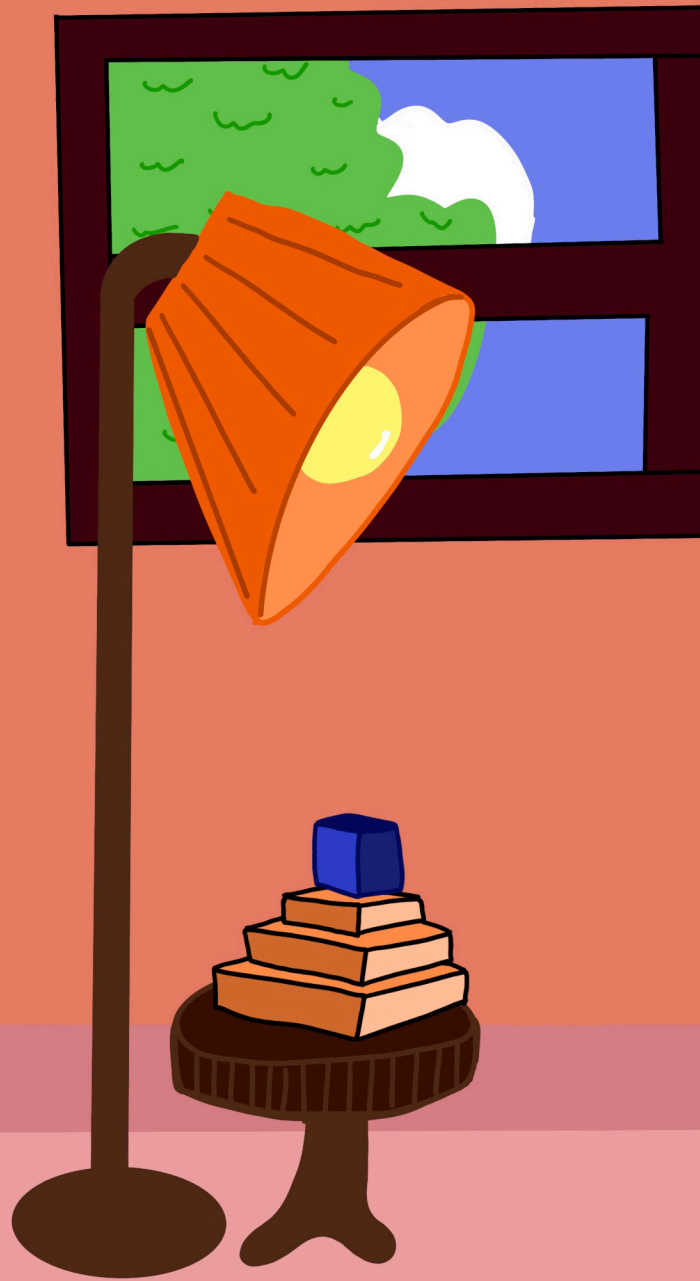

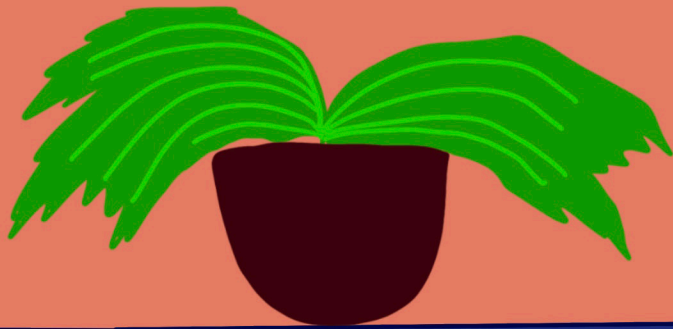

Written by: Bilingual Birdies

**The oval and the square
were very good neighbors.**

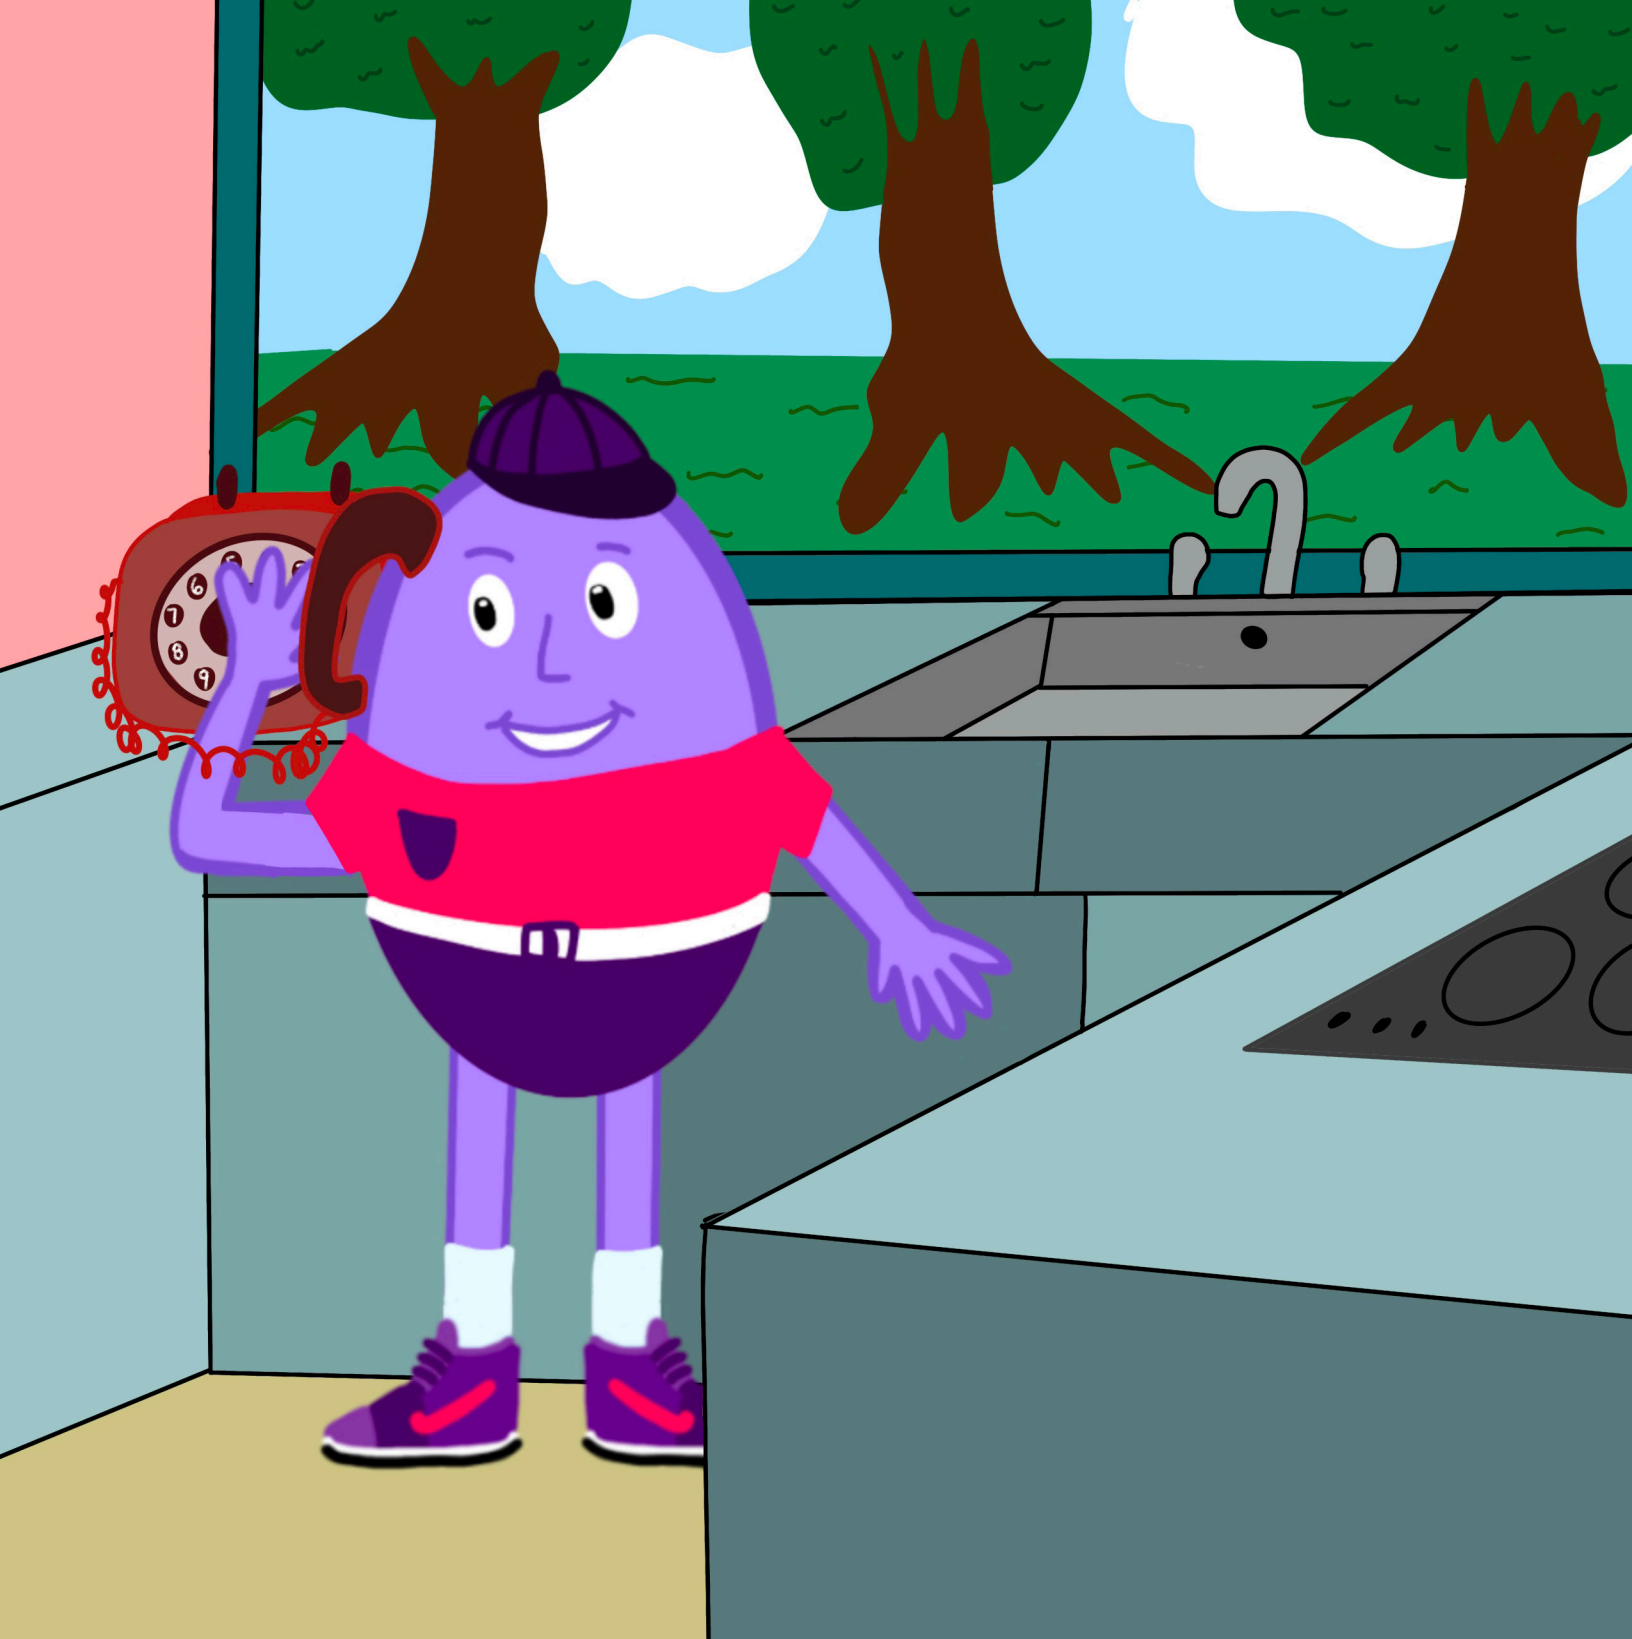

**The square really
likes to read.**

**He is quiet and
enjoys the silence.**

But the oval is very social.

**He loves to dance
and to sing.**

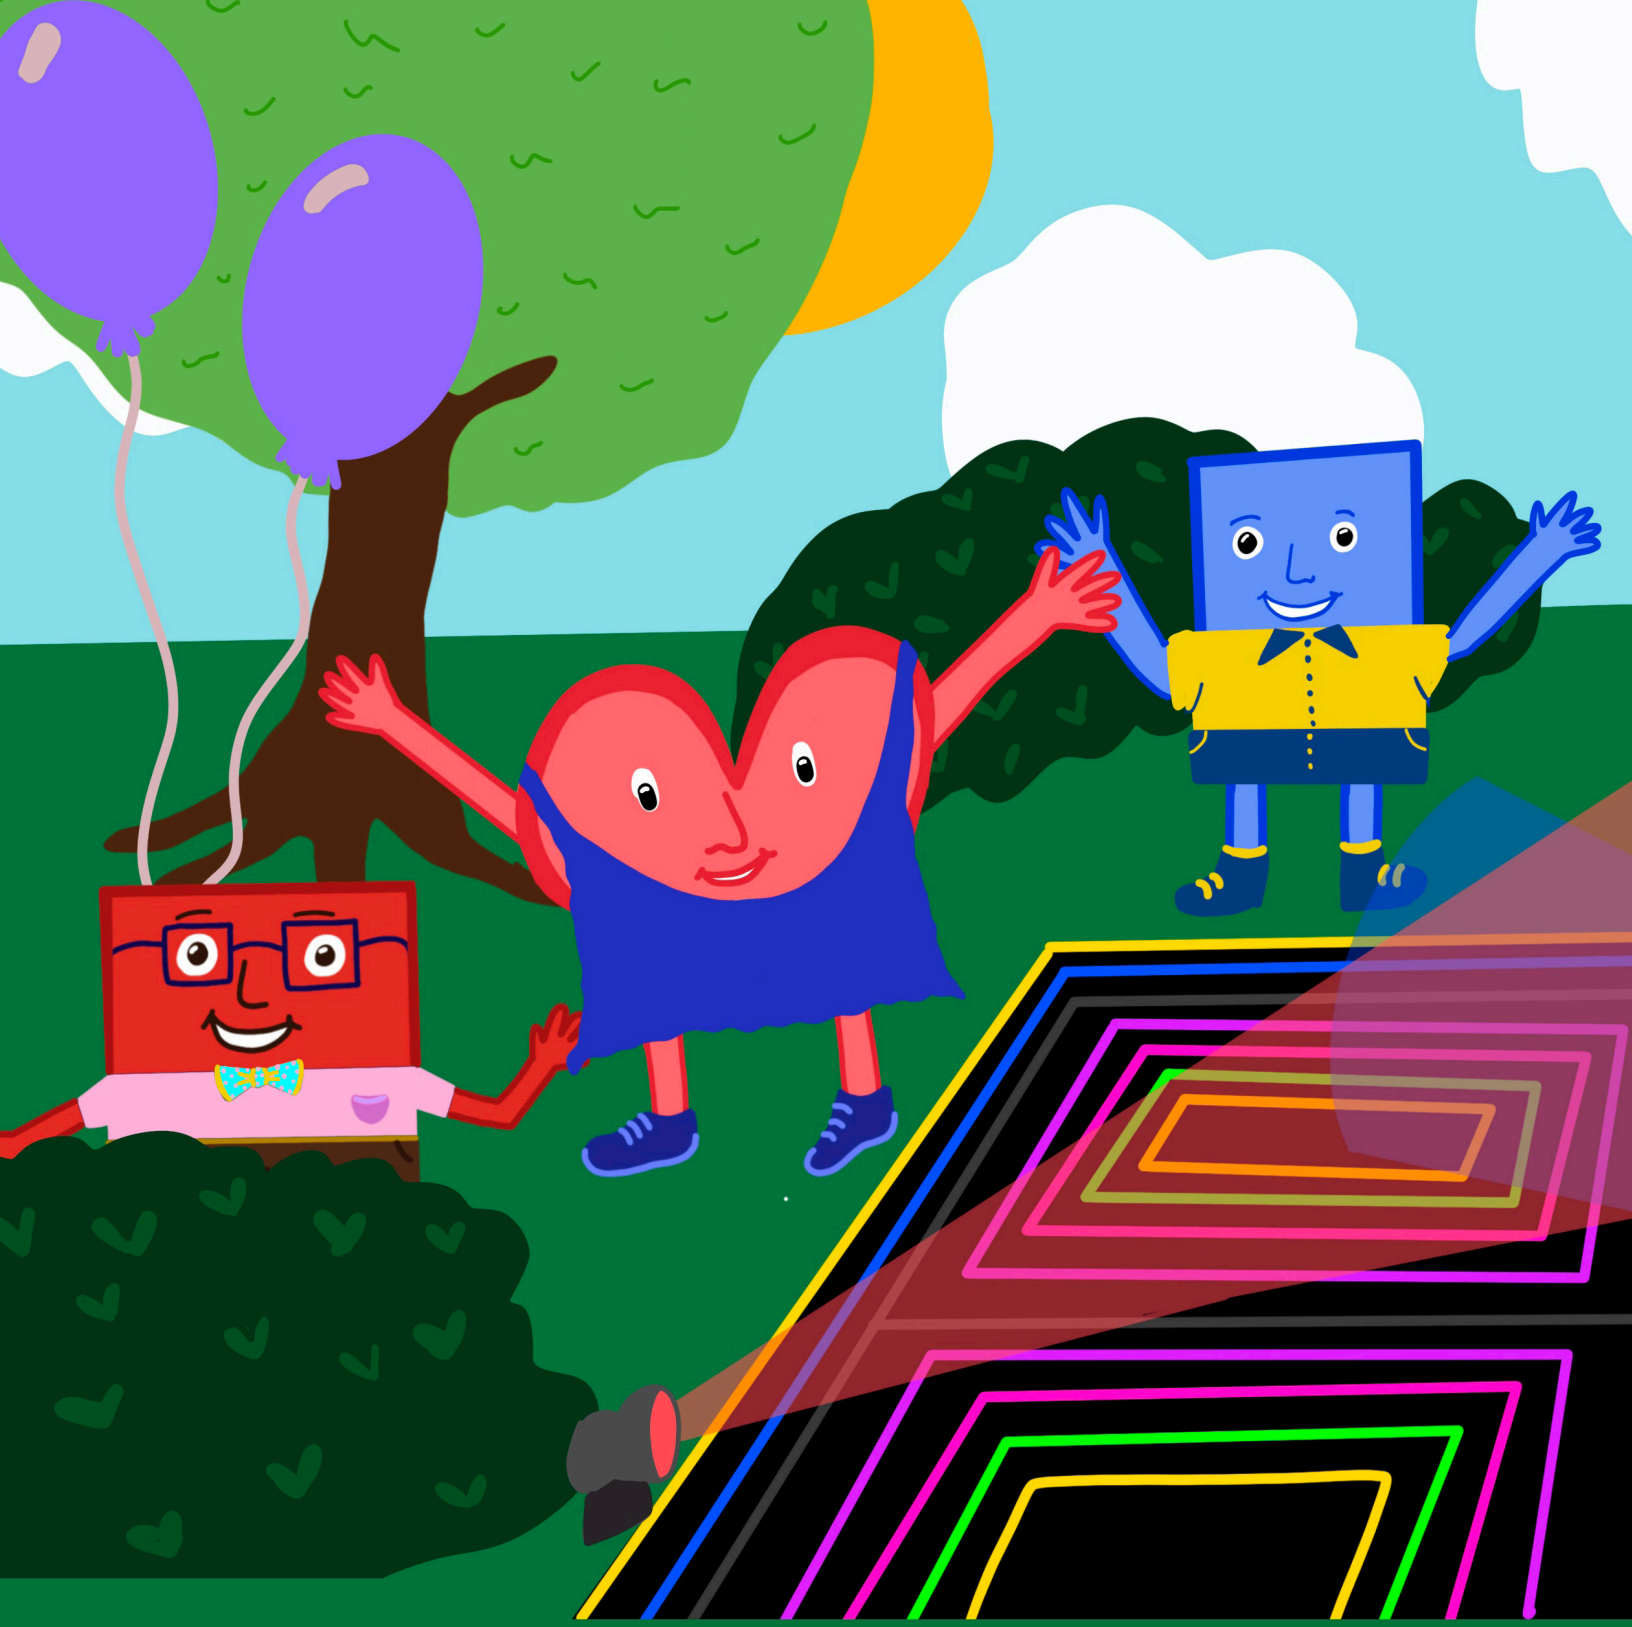

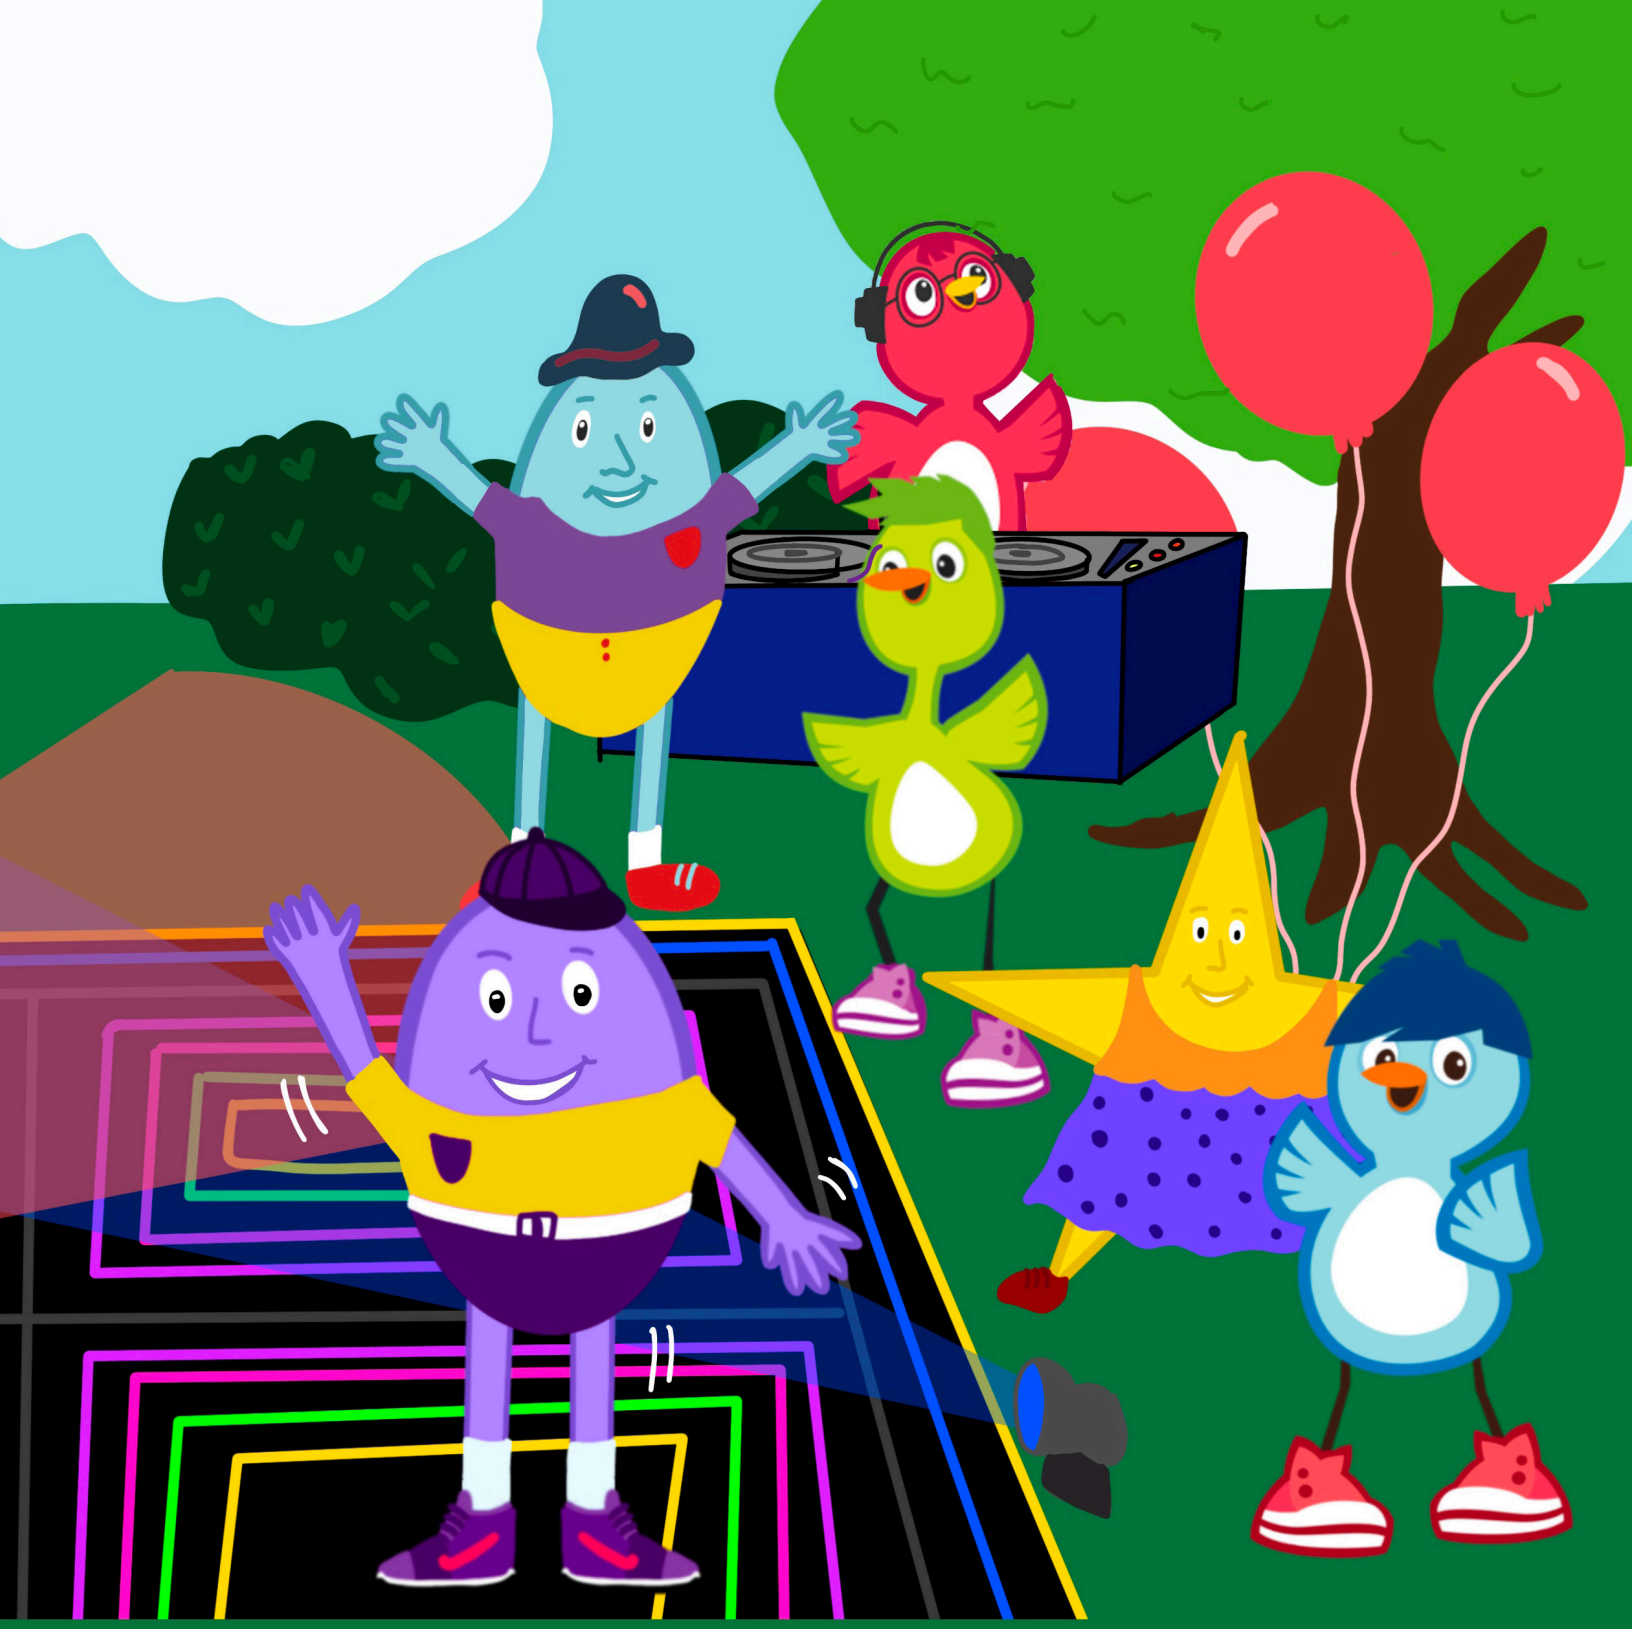

**One day, he threw a
party and invited his friend,
the square.**

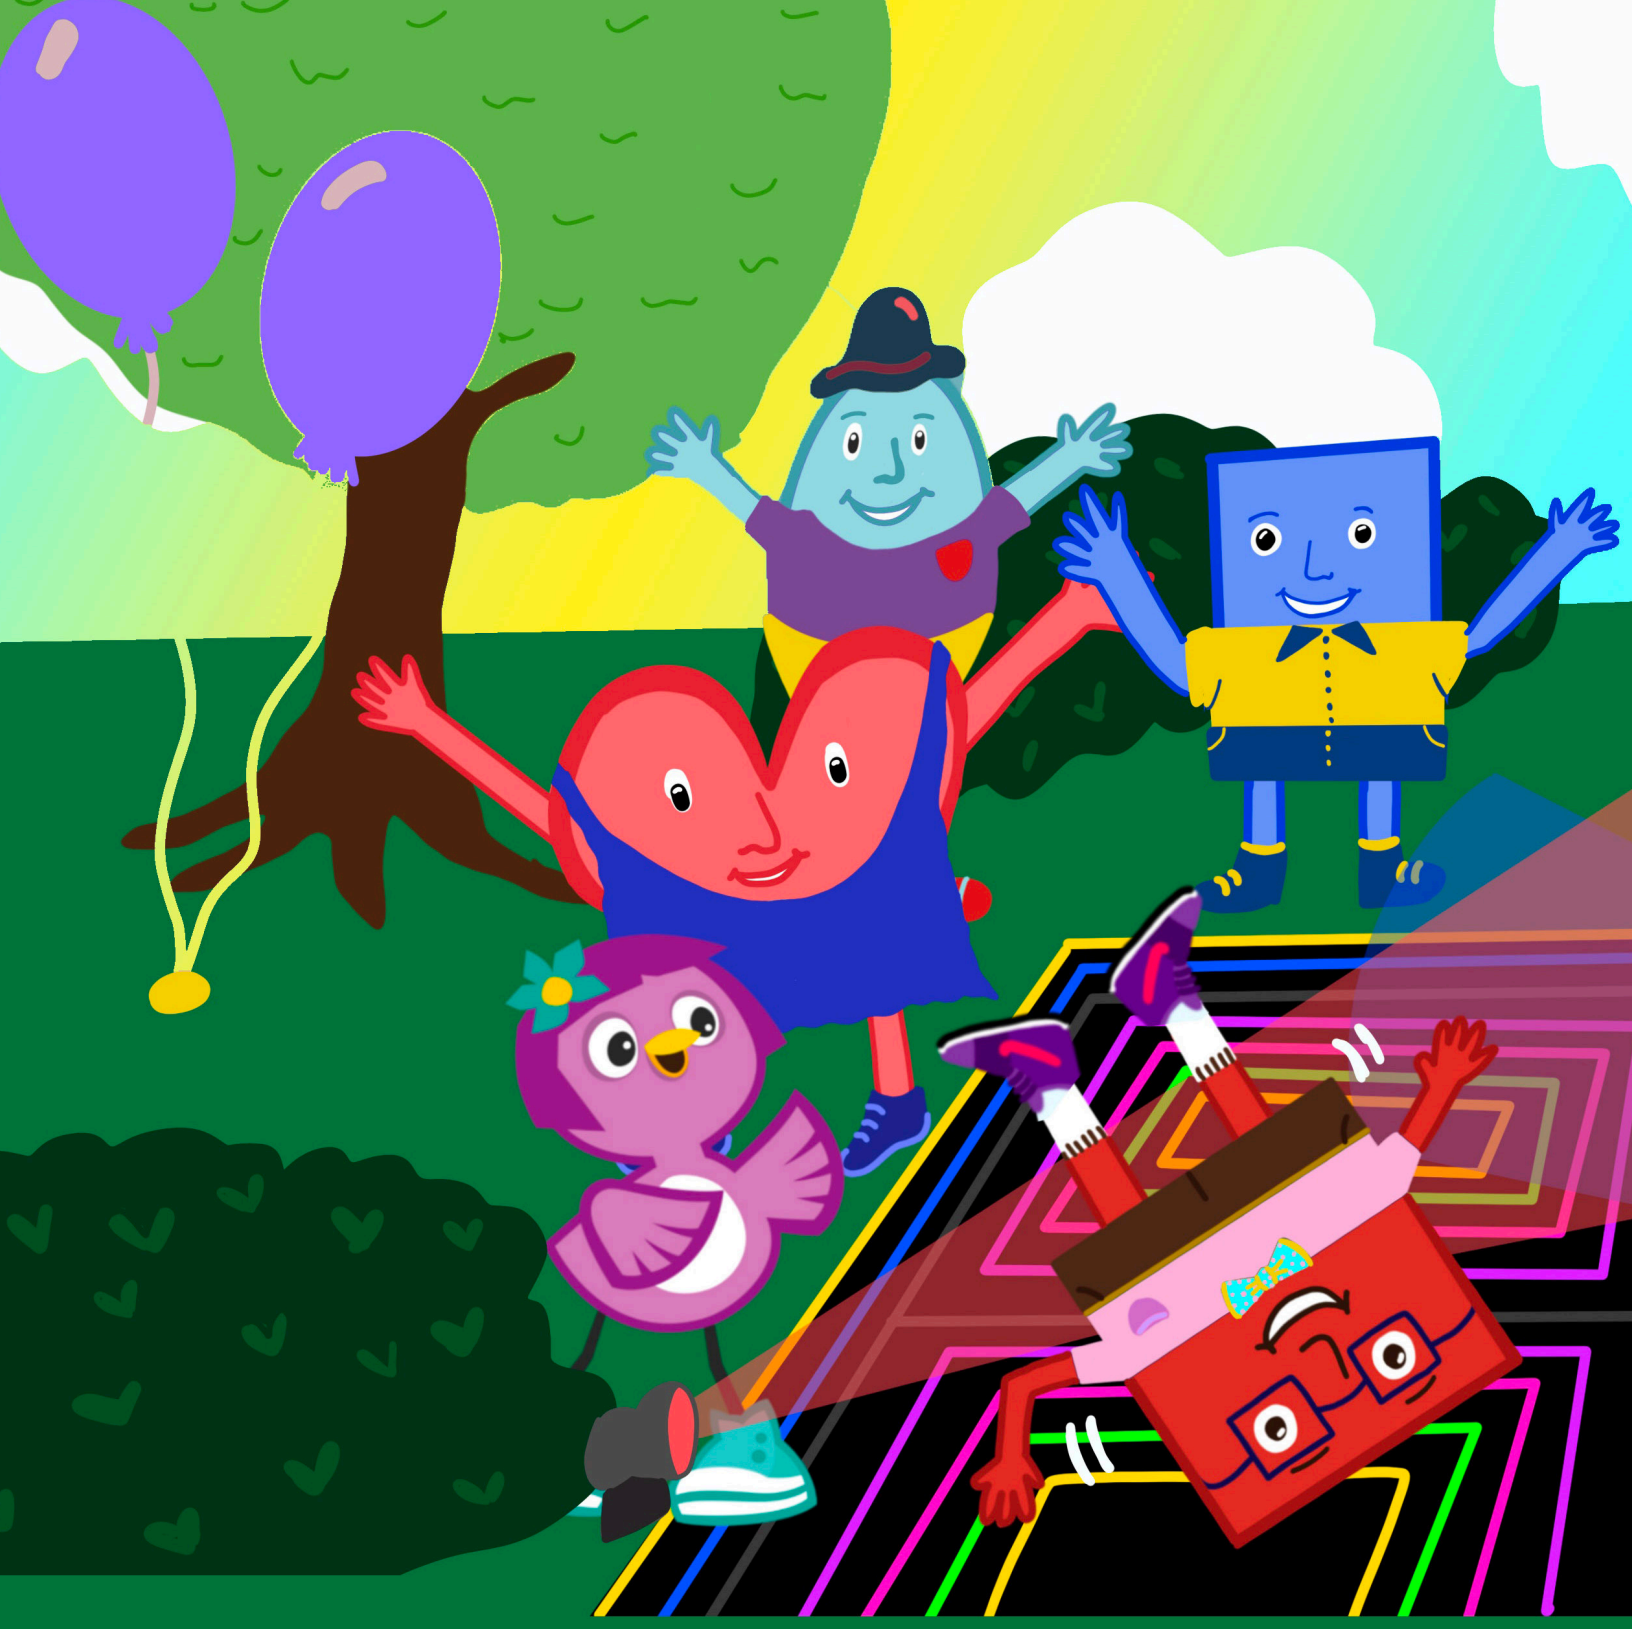

The square went, and he was so happy! Both of them had a great time.

The oval danced.

The square danced.

**And so they danced,
all night long.**

**They are so different,
but they also share
good things.**
