## SONG LYRICS

### SUPER AWESOME FUN WITH COCO

IN ENGLISH

## 1 SCHOOL IS COOL

My first day of school, I was very nervous  
My first day of school, I was right on time  
My first day of school, I'll always remember  
My first day of school, it was magical

School is so cool, so cool, so cool  
I'll make new friends  
School is so cool, so cool, so cool  
I'll have a great time there

## 2 MY TEACHER

My teacher, taught me to read  
My teacher, gives me snacks  
She tells us stories and she sings as well  
She's very patient and she likes to dance  
And if she claps  
It's time to dance

My teacher, taught me to read  
My teacher, gives me snacks  
She tells us stories and she sings as well  
She's very patient and she likes to dance  
And if she claps  
It's time to listen

My teacher, taught me to read  
My teacher, gives me snacks  
She tells us stories and she sings as well  
She's very patient and she likes to dance  
And if she claps  
It's time to sit down

My teacher, taught me to read  
My teacher, gives me snacks  
She tells us stories and she sings as well  
She's very patient and she likes to dance  
And if she claps  
It's time to stand up

## WITH MY NEW FRIEND

With my new friend  
 I'm not bored anymore  
 With my new friend  
 No sadness, only fun

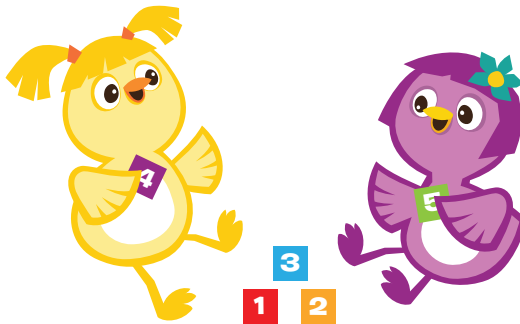

We throw the ball, we throw the ball  
 We throw the ball, we play all the time  
 We are superheroes, we are superheroes  
 We are superheroes, we play all the time

With my new friend  
 Everything is fine  
 With my new friend  
 We play all the time

Jump rope, jump rope  
 Jump rope, we play all the time  
 Hide and seek, hide and seek  
 Hide and seek, we play all the time

With my new friend  
 I'm not bored anymore  
 With my new friend  
 No sadness, only fun

With my new friend  
 Everything is fine  
 With my new friend  
 We play all the time

## I AM TIRED

I want to play, play, play, play, play, play  
 All day  
 But now, I'm tired

I want to run, run, run, run, run, run  
 All day  
 But now, I'm tired

I want to dance, dance, dance, dance, dance, dance  
 All day  
 But now, I'm tired

I want to jump, jump, jump, jump, jump, jump  
 All day  
 But now, I'm tired

Friends, in a day we can go through many emotions  
Sometimes I feel angry, sad and happy!  
What do we do with so many emotions?  
I'll teach you

I Am Mad

I am mad!  
When I am mad and there are things to do  
I take some time  
And to calm down, I take a step back...

When I am mad, there are things to do  
I take some time  
And to calm down, I take a step back  
And breathe, and breathe, and breathe

I Am Sad

My dog ran away  
I am sad, I am sad  
My friend cannot play  
I am sad, I am sad

But with a hug, a hug  
A hug, a hug!  
A hug makes everything better

We Are Happy

We are happy when we dance  
We are happy, we are happy!  
We are happy when we sing  
We are happy, we are happy!

Give me five! One, two, three, four, five!  
We are going to laugh!

Friends, what is your favorite shape? I love hexagons!

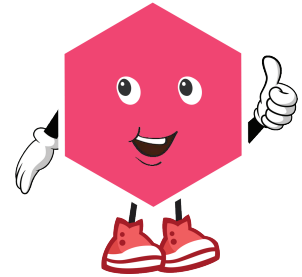

One, two, three, four, five, six  
Hex-a-gons!

The bees make their honeycombs  
And their shape is like a hexagon  
The turtles on their shells  
Often have a hexagon shape

One, two, three, four, five, six  
Hex-a-gons!

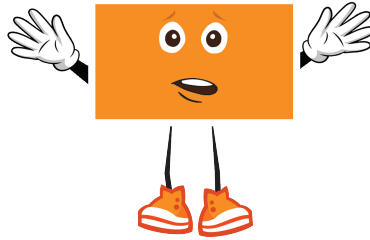

The giraffe on its skin  
Has a lot of hexagon shapes  
A nut and a bolt  
Have the shape of a hexagon

One, two, three, four, five, six  
Hex-a-gons!

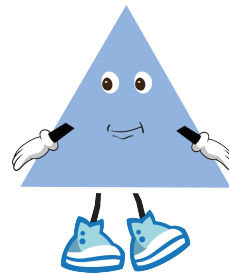

I am going to tell you a story  
About three friends that love each other  
The triangle, the rectangle  
And also the heart

The triangle has three sides  
He's very quiet, because he's shy  
So when they ask him what is his name  
This is what he replies  
Mr. Triangle  
That is my name

The second one is the rectangle  
It has four sides, two short and two longer ones  
Mr. Rectangle, is a nervous guy  
He introduces himself like this  
Mr. Rectangle  
That is my name

The third one, is Mr. Heart  
He is playful and very smart  
He's very strong, always with a smile  
A smile, a smile  
He introduces himself like this  
I am Mr. Heart  
That is my name!

## THE CIRCLES IN LIFE

In the morning, outside my window

I see the sun that says hello to me

It's a big and yellow circle

Big and round is the circle

I go to school, I see my friends

And we are always sitting in a circle

A big circle with all my friends

Big and round is the circle

It's almost noon, I'm getting hungry

I really would like to eat some pizza

Cheese and tomato, looks like a circle

Big and round is the circle

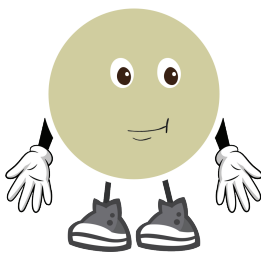

It's almost time to go to sleep

I'm going to relax and go to bed

I move my head, my head, my head

Slowly in a circle

Big and round is the circle

## COME ON COCO! YOU CAN DO IT!

Coco lives in a beautiful nest!

But today she told me that her house broke down and she thinks she can't fix it by herself

I told her, you can do it!

This is how our conversation went

Today my house, just broke down

Today my house, just broke down

And I don't know if I can fix it myself

Come on Coco! You can do it! You can do it!

Come on Coco! You can do it!

Today my house, just broke down

My nest in pieces fell apart

And you know that you can count on us

Come on Coco! You can do it! You can do it!

Come on Coco! You can do it!

Oh no! Coco's nest broke down. But you know what my friends?

We are going to work together to help her fix her house

I have all my tools, some twigs, nails and everything we need, let's go!

Passing the twigs

Always working together

Pass me the hammer and be very careful

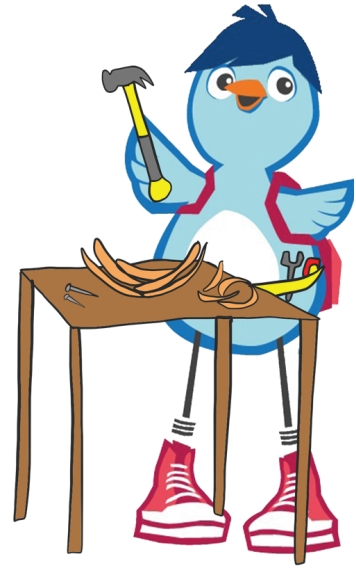

Don't hurt your fingers!

Passing the nails

Always working together

Pass me the hammer and be very careful

Don't hurt your fingers!
